

## Ilfov County Council

# Regional development from REGIO - The Regional Operational Program 2007-2013

October 14<sup>th</sup>, 2013  
Bruxelles

*Inițiativă locală. Dezvoltare regională.*

# ILFOV COUNTY

- **Ilfov County** is located in the S-SE part of Romania and surrounds the Romanian capital, Bucharest
- the smallest county of Romania(1.583 km)

It is composed from:

- 8 towns: *Bragadiru, Buftea, Chitila, Măgurele, Otopeni, Pantelimon, Popești, Leordeni and Voluntari*
- 32 communes
- 91 villages.

# Ilfov County Council

- local public authority
- integrates the activity of all authorities at local level, in order to provide for the sustainable development of the whole county
- develops and implements economic and social programmes for the county, integrating all the proposals received from the local councils
- together with the capital city administration, Ilfov County Council forms Bucharest-Ilfov Development Region

# Implementation of projects financed from REGIO The Regional Operational Program (ROP) 2007-2013

## Priority Axis 2

*Improvement of regional and local transport infrastructure*

## Priority Axis 3

*Improvement of social infrastructure*

## Priority Axis 2

### *Improvement of regional and local transport infrastructure*

#### Context

- The poor condition of existing county roads
- Heavy traffic and high risk of accidents

#### General objective

- Enhancement to a higher class of county roads
- development of towns and communes in the areas where the county roads were upgraded

#### Results

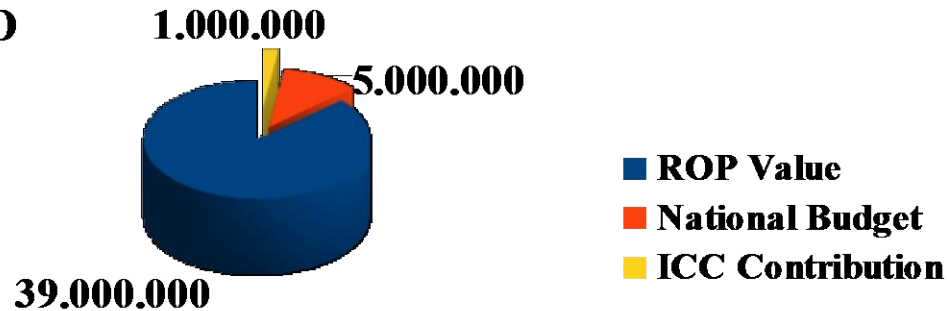

- 11 projects for modernization of county roads
- 111,234 km =28% from a total of 398,527 km

## Priority Axis 2

### *Improvement of regional and local transport infrastructure*

**Total value of projects  
45 mil EURO**

### Impact

- Improved traffic flow
- Economic growth across the county
- Creation of new jobs
- Development of towns and communes in the vicinity
- Positive impact on Bucharest ring road traffic

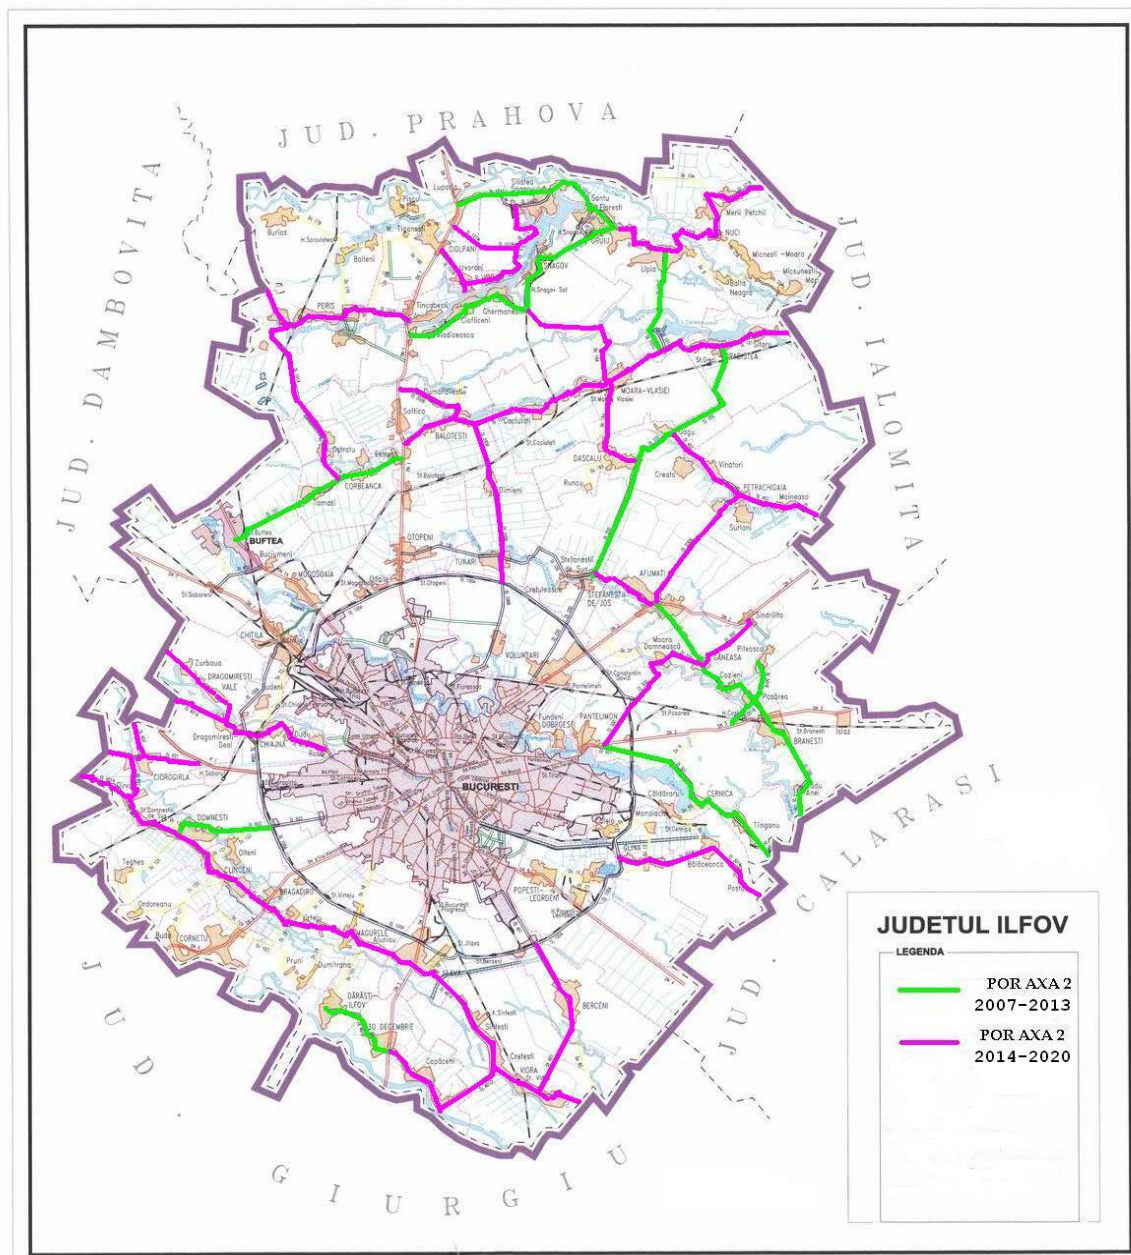

## Total county roads

**2007**  
**398,527 km**

**2007 - 2013**  
**111,234 km = 28%**

**2013**  
**407,362 km**

**2014 - 2020**  
**248,915 km = 61%**

# PRIORITY AXIS 3

## Improvement of social infrastructure

### Context

- Major shortcomings in the infrastructure and in the quality of the socio-medical care services to the population
- Limited access to social and medical services in Ilfov County
- Necessity to align with European standards for socio-medical care services
- Major shortages in the endowment of the operational bases for emergency situations services

### General objectives

- Improving the quality of social services infrastructure to ensure social inclusion of vulnerable groups
- Upgrading the operational bases for interventions in emergency situations

# PRIORITY AXIS 3

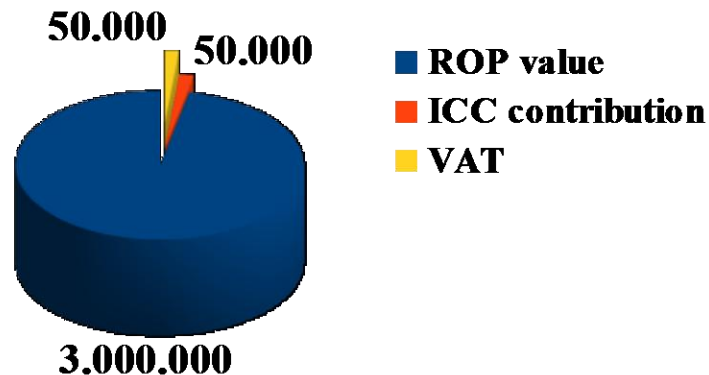

## Improvement of social infrastructure

### PROJECTS

- Rehabilitation, modernization and endowment of the health services' infrastructure (*DMI 3.2*)

Total value of projects

4 mil EURO

# **PRIORITY AXIS 3**

## **Improvement of social infrastructure**

### **K.A.I. 3.2 Rehabilitation/modernization/ development and endowment of social services infrastructure**

## **PRIORITY AXIS 3**

### **Improvement of social infrastructure**

#### **K.A.I. 3.2 Rehabilitation, modernization, development and equipping of social services infrastructure**

**Total value of projects**  
**20 mil EURO**

# PRIORITY AXIS 3

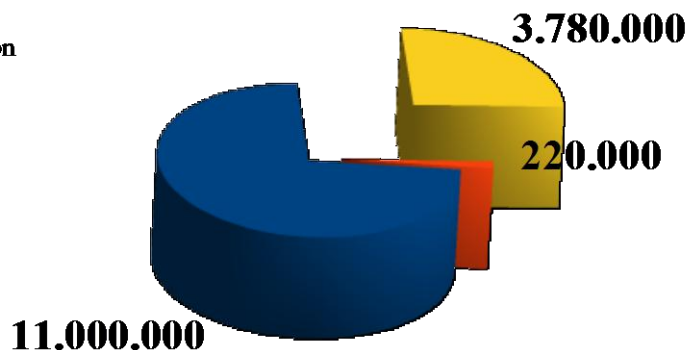

## Improvement of social infrastructure

- 2 projects for improving the equipment of operational units for public safety interventions in emergency situations

Total value of projects

15 mil EURO

■ ROP Value  
■ ICC Contribution  
■ VAT

# PRIORITY AXIS 3

## Improvement of social infrastructure

### Impact

- Increasing the number of beneficiaries of social and medical services
- Creation of new jobs
- Prevention of marginalization and social exclusion
- Facilitation of the reintegration of vulnerable people
- Infrastructure enhancement (better endowments and increasing energy efficiency of the buildings)

### - Activities foreseen in 2014-2020 Strategy

Further improvement of the social infrastructure: residential units in Vidra, Periș and Tâncăbești, medical units from Bălăceanca and Buftea

## Implementation issues in 2007-2013 Regional Operational Program

Lack of expertise for the public administration staff responsible with the implementation of the European projects

Delays of several activities due to delays in processing reimbursement claims

Delays in the evaluation process (long period between submission of the projects and signature of the contract)

Delays in public procurement process, some discrepancies (in the interpretation) between European and national applicable legislation

# Ilfov County Development Strategy - 2020 Horizon

## *-Strategic objectives-*

### **Strategic Objective 1.**

*Enhancement of the Ilfov competitiveness in the context of the Bucharest Municipality vicinity*

#### **Measure 1.1.2**

Development of the business support infrastructure: industrial parks, science parks, logistics parks

### **Strategic Objective 2.**

*Improvement of the quality of life for the Ilfov County inhabitants*

#### **Measure 2.1.2**

Improving the quality of social services: rehabilitation of social services structures, upgrading the operational bases for interventions in emergency situations

# Ilfov County Development Strategy - 2020 Horizon

## - *Strategic objectives*-

### **Strategic Objective 3.**

High degree accesibility and mobility for Ilfov residents and business environment

#### **Measure 3.1.3**

Road infrastructure improvement: rehabilitation and modernization of the Ilfov county roads network

### **Strategic Objective 4.**

Increased administrative capacity for improvement of the quality and readiness of the administrative process

#### **Measure 4.1.1**

Training public institutions staff: design and implementation of a training program for local public administration human resources to ensure propper cooperation with the business environment and citizens
